Cincinnati, OH 45241

If picking up before 12 noon, there is no charge for that day of boarding. If picking up any time after 12 noon, an additional day of boarding charges will be added to your bill.

All animals must be current on all vaccines. Proof of vaccines is required. Canine-DHPP, Rabies, Influenza, 6 month Bordetella and Rabies.

All animals boarding with us must be free of fleas. Any fleas found on animal at time of check-in will be treated with a topical and oral flea treatment at owners expense.

I understand and will not hold responsible Sunfire Labradors for any lost/damaged items including but not limited to leash, collar, bedding, food, toys, etc., or any medical problems that may arise.

While boarding my pet(s), I understand that I will be billed for all required medical care at the veterinarians customary rate. This includes any medications needed, treatment of diarrhea, any surgeries performed, etc.

I understand that any unforeseen problems that develop while I am absent and my pet is in your care will be treated as deemed best by Sunfire Labradors and I assume full responsibility for the expense of treatment.

I understand that all charges for boarding services will be payable in full at time of pet(s) check-out. If someone other than client is picking up pet(s), boarding must be pre-paid. I also understand that any veterinary expenses incurred by Sunfire Labradors will be billed to my credit card.

I have read and understand Sunfire Labrador's Financial Policy

Thank you for bringing your dog to Sunfire Labradors. We hope that you are pleased with our services and facilities and would appreciate you letting us know how we may better serve you.

WHAT TO BRING FOR BOARDING

FOOD AND TREATS

Please provide enough food for the entire boarding stay along with a little extra just in case your vacation is extended (if you opt for in-house food we will provide the appropriate amount).

We would love to give your animal **their** treats! Because of food allergies we do not provide treats.

MEDICATION

Provide all medication your animal will need to receive while they are boarding with us.

Please let us know your usual method of medicating. We provide peanut butter to use but any other method (pill pockets, chicken, etc...) must be provided.

TOYS

- Nylabones
- Kong toys with their favorite treat or extra kibble
- Other durable chew toys

In most cases these toys can be left in the kennel with your animal to keep them occupied when unsupervised. You can bring their favorite stuffed animal, rope toy or squeaky toy, but these will only be given when supervised.

BEDDING

Dog beds - We will be happy to put bedding provided by you or blankets provided by us in their kennel. Just a reminder some dogs who don't chew on their bedding at home may chew on them while in the kennel environment.

Old T-Shirt - Sleep with an old t-shirt before you leave and send it with you animal while they board with us. This way they have something that smells like home while they are with us. Make sure the t-shirt is something you don't care if it gets dirty, chewed up, or otherwise ruined.

WHAT NOT TO BRING FOR BOARDING

Tennis Balls - We use our own tennis balls that go through the wash after every use.

Rawhide - This is a choking hazard.

Blankets - We have plenty of our own bedding that we provide all dogs who can use it (as long as they do not chew). So you do know have to bring bedding. Sometimes we need to wash your dog's bedding while they are here with us and there have been times it can get misplaced in our loads of laundry. If you want your animal to have the smell of home, try the shirt idea above!

Feed Stands (unless for medical reason) - These can pose a safety risk in a confined space.

Dog Feeding Bowls - We provide each animal with a food and water bowl, which is washed and disinfected after every use.

We are not responsible for lost or stolen items.
